OPPONENT FOR ALL-VALLEY TEAM TO BE SELECTED TONIGHT

GAME PLANS TO BE MADE

All Coaches and Officials Urged to Attend Meet At Mercedes

(By Staff Member)
MERCEDES, Dec. 15.—Selection of the All-Valley squad's opponent will confront the Valley Football Coaches' and Officials' association when that body meets tonight at Mercedes, it has been announced by O. I. Cox, secretary. All officials and Class "B" coaches are urged to attend the session.

Details concerning the "Battle of Grapefruit," an annual affair sponsored by the association for the past three years, are slated to be cleared up Tuesday night. Two years ago the All-Valley coaches met with the Cisco Lobos at Brownsville, taking a heavy pounding. That season, the Valley representative was an "All-Valley" in the literal sense of the word. The team was composed of all-star performers.

With this defeat in mind, last year the entire Harlingen squad, Valley champs, was named All-Valley with a view of winning the "Battle of Grapefruit." The Uvalde district All-Stars came to Harlingen and were defeated handsily.

The schematic of the squad is the same this season: The entire championship San Benito eleven was named to the squad.

Several offers of games have been received by the association, according to officials. In view of poor gate receipts, the association will likely take a game which will cost as little as possible.

The All-Valley squad this season is as follows:
ENDS—Goode (SB), Welch (SB), Green (Mer.), Hinkle (PSJA), Harbin (Dna.), Amyx (Mis.).

TACKLES—Frankie (SB), Billue (SB), Karam (McA), Hayes (McA), GUARDS—Mayfield (SB), Humble (SB), Vickers (Dna.), Graham (LaF.).

BACKS—Mangum (SB), Wright (SB), Roberts (SB), Anderson (SB), Penner (Dna.), Wilhelm (Mer.), Jackson (Mis.), McCord (Mis.).

COX DEFEATS VON ELM 6-5

Brooklyn Pro Takes \$1,540 For Beating Business Man Golfer

SAN FRANCISCO, Dec. 15. (P)—With a 6 and 5 to victory over George Von Elm, "business man" golfer of Los Angeles, Wiffy Cox, Brooklyn pro, today had \$1,540 for winning the \$7,000 national match play open championship here.

Von Elm, as runner-up in a field of 198 starters, had a check for \$1,007. The remainder of the prize money was distributed in varying amounts between the remaining 30 qualifiers.

Cox, who won the last north and south open title and was a member of the American Amateur Cup team, started on his victorious tour of the Lake Merced course yesterday with a five up lead. Play was postponed at the 18th hole Sunday on account of wet weather.

At the 17th hole, Von Elm had won back a hole to cut his opponent's lead to 4 up. Von Elm clinched the match on the 31st, with a par 5 to Von Elm's 6.

Boys Favor Retention Of Kickoff

NEW YORK, Dec. 15. (P)—The boys who play the game, do the kicking, from the flying wedges and break them up, believe the kickoff should be retained in football.

Among 20 of the leading players of the country's major teams who told the Associated Press what they think about it, only one was opposed to the kickoff method of kicking from the 40-yard line without a tee.

Joe Moran, star halfback of the Syracuse university team, thought it "might be a good idea if the kickoff were abolished, the team that wins the toss getting the ball on its own 20-yard line," but the other 19 said: "Let it stay."

"Let football alone," said Weldon Mason, the "Sandy" sparkling of the Southern Methodist Mustangs, "including the kickoff. It is the spark that keeps the spirit of the game alive. The kickoff is the thrill for the players."

March Schwartz, Notre Dame's triple threat All-American backfield ace, said: "The kickoff should be retained. It is the most spectacular and finest of all plays and its abolition or change would rob customers of football's greatest play. Any real fan would rather see the kickoff than a long run or a long pass. I believe those who get hurt are not in the best of physical shape in most cases."

Capt. Jerry Dalrymple of Tulane's great Green Wave, was one of the small number favoring the suggestion to set the kickoff back ten yards to the offensive team's 30 and kick the ball from a tee.

Meehan, Little First Coaches to Take Air

Chick Goes At New York U. Begins Toning Down Program

NEW YORK, Dec. 15. (P)—The process of de-emphasizing football at New York University began a year ago but it took the resignation of John P. (Chick) Meehan as coach to bring that fact to light.

Dr. Elmer E. Brown, chancellor of the university in a formal statement issued in connection with Meehan's resignation, announced the faculty board of athletic control had adopted a new athletic policy of "sports for sport's sake."

Dr. Brown said the principal points in the new policy, effective with the incoming freshman class in September, were:

Minimizing of the importance and the shortening of the duration of spring football practice, looking forward to possible final elimination.

Shortening of duration of the fall preliminary practice to a period of not more than two weeks prior to the opening of the regular academic year.

Barring of all freshmen from preliminary fall football practice and shortening of the freshman football season.

Elimination of all organized recruiting and subsidizing "as such terms have been understood popularly."

Continuation of the present policy of giving every possible support and encouragement to the further development of intra-mural sports.

South Cleaning Up
Now that the South has been cleaning up football teams from other sections, there is a very good chance the Southern Conference may decide to clean up some of its own teams.

Southern operatives disclose that the Southern Conference, composed of 23 schools, may be split up into two conferences when the annual meeting is held at New Orleans, Dec. 17. Ten of the larger schools are reported ready to adopt a strict eligibility code for athletes, with a commissioner to make regular inspection trips to each institution and scan the boys' grades.

Of course, there have been regulations in the Southern Conference all along as to subsidizing and scholastic requirements, but these have not been lived up to faultlessly. There has been some recruiting of blacks here and there.

Big Ten of the South
Now, it is said, Alabama, Tennessee, Kentucky, Tulane, Florida, Georgia, Georgia Tech, Vanderbilt, Auburn and North Carolina are ready to act. If a new conference with these schools is formed, another conference of probably nine schools, known as the South Atlantic Conference might be organized. In this conference there would be Duke, Maryland, Virginia, Virginia Military, Virginia Poly, Washington and

Possibilities
Action will be begun at the Southern Conference meeting, Dec. 17, it is said, when amendments to the constitution will be presented by the ten larger schools. If adopted unanimously, of course, the conference will remain as it is, with rules on entrance requirements, recruiting and scholarship really enforced.

In that case there would have to be at least three commissioners assigned to regional inspection of the

A. & I. Cuts Guarantee To \$1,200

The following telegram from Bud McCallum, coach of the Kingsville A. & I. squad was received here Tuesday morning:

"Report we demand \$2,500 for game erroneous. We will go there for flat guarantee of \$1,200. Or will go for no guarantee if you will advertise game well and give us gate receipts up to \$1,600 and Brownsville take all over that amount. Javelinas have been out of training nearly two weeks and want game only because we think it will be great drawing card and fans are entitled to it."

Bud McCallum.

After being declared out of the T. I. A. A. race, the Javelinas offered to play the Brownsville J. C. here for \$2,500. Later they offered to come for gate receipts up to \$2,000. The above is the third offer made by the Kingsville aggregation.

Local school authorities have not considered the game because of the high price asked. The gate here this season have been unusually low.

records and grades. One man couldn't cover so much territory. The groups suggested by the proposed new conference outlines above have existed by mutual understanding more or less in that form for several years. If it is proposed by some other school than the ten larger institutions that the eligibility amendments be rejected, and if this rejection is carried by vote, the ten schools will pick up their football and go play by themselves.

The meeting is the most important in the history of southern athletics. It is no secret that the big conference, as it stands today, has been unable to enforce its own rules.

The other football sections will be watching the New Orleans meeting with some interest.

Schwartz Joins Eastern Eleven

EVANSTON, Ill., Dec. 15. (P)—Marchmont Schwartz, Notre Dame's All-American halfback, has agreed to play with the All-Star Eastern team against the West in the Shrine hospital benefit football game at San Francisco New Year's Day.

Schwartz' acceptance completed the team which has 22 stars from the East and middlewest on its roster.

THREE MORE
SAN FRANCISCO, Dec. 15. (P)—Three final selections have completed the "West" football team which will compete with a team from the "East" New Year's Day in the annual Shrine charity game.

Percy Locoy, who with Dana X. Bible will coach the West team, invited Bob Kleckner, University of San Francisco halfback; Martin Idaho guard; and Brenner, Gonzaga guard, to represent the district west of the Mississippi, along with eleven others selected by himself and eight from east of the Rockies, selected by Bible.

Dr. Ellice McDonald of the Cancer Research Laboratories, University of Pennsylvania, estimates cancer causes 130,000 deaths a year.

'HOUNDS DUE TO BE FETED

San Benitos Unlikely To Join 'A' Ranks Next Year

(By Staff Correspondent)
SAN BENITO, Dec. 15.—The San Benito high school Greyhounds, regional Class "B" champions, are going to be feted aplenty between now and Christmas.

The Rotarians will start the ball rolling by having them at their luncheon Thursday and the Lions will have them Friday. The pep squad expects to honor them later and the team probably will have its own private banquet later.

Question of entry into Class "A" probably will come up at a meeting of the athletic council this week but it is not likely that the Hounds will leave Class "B". The committee is expected to be influenced somewhat by what happened to the Cardinals in the Class "A" race who lost to Beaumont in the quarter finals by a topheavy score.

By winning the regional title the 1931 Greyhounds have gone further than any other San Benito football team. At Uvalde they ran up against a team even larger than the Robstown aggregation. The Hounds just outsmarted the Coyotes in the opinion of those who saw the uphill fight the local boys made after the long, rough journey to Uvalde over the military road which was in bad condition part of the way.

Uvalde, although outweighing San Benito 14 pounds to the man or more, advertised itself as "underdog." The center of the San Benito line with Cooke at center and Humble and Mayfield at guard and Place as guard replacement, took a terrific punishment from the heavy charging Uvalde line and backs. Although they became sick as a result of the buffeting they were game to the end with the result that San Benito put over a touchdown in the last three minutes of play. First reports that Anderson made the pass to Welch for the winning touchdown were in error, the play being a backward pass, from Anderson to Wright, who made a forward pass to Roberts for the counter. Humble made the first touchdown by blocking a punt and recovering the ball back of the goal line.

Uvalde was the only Class "B" team to score on the Hounds this year. The Hounds lost only to Robstown and Harlingen, Class "A" eleven, and beat one other Class "A" team, Kingsville, 50 to 0.

Football tickets probably will cost the western fans less next season, the Pacific coast conference having approved reduction for the slips.

Also, there won't be so many action pictures for the conference at the opening session yesterday of its annual three-day meeting, decided to bar all cameramen from football playing fields.

All delegates agreed football tickets must be cheaper next year but left prices for specific games up to the universities involved.

CENTRALIZED CONTROL
OTTAWA—The Dominion government has full control over all aviation in Canada as a result of the recent ruling of the judicial committee of the privy council. This takes the management of aviation from the hands of provincial authorities and gives Canada a chance to centralize control and establish a uniformity of air regulations.

LOU GEHRIG HOLDS RECORD

Big Hitter Blasted In Most Runs In American League

CHICAGO, Dec. 15. (P)—Lou Gehrig, junior member of the celebrated New York Yankee home run twins, was the deadliest of the American League species when it came to driving in runs last season.

While the "deader" ball forced a sharp decline in the scoring harvest in the league, the big Yankee first baseman stepped out to drive in 184 of his mates for a new record, official averages revealed today.

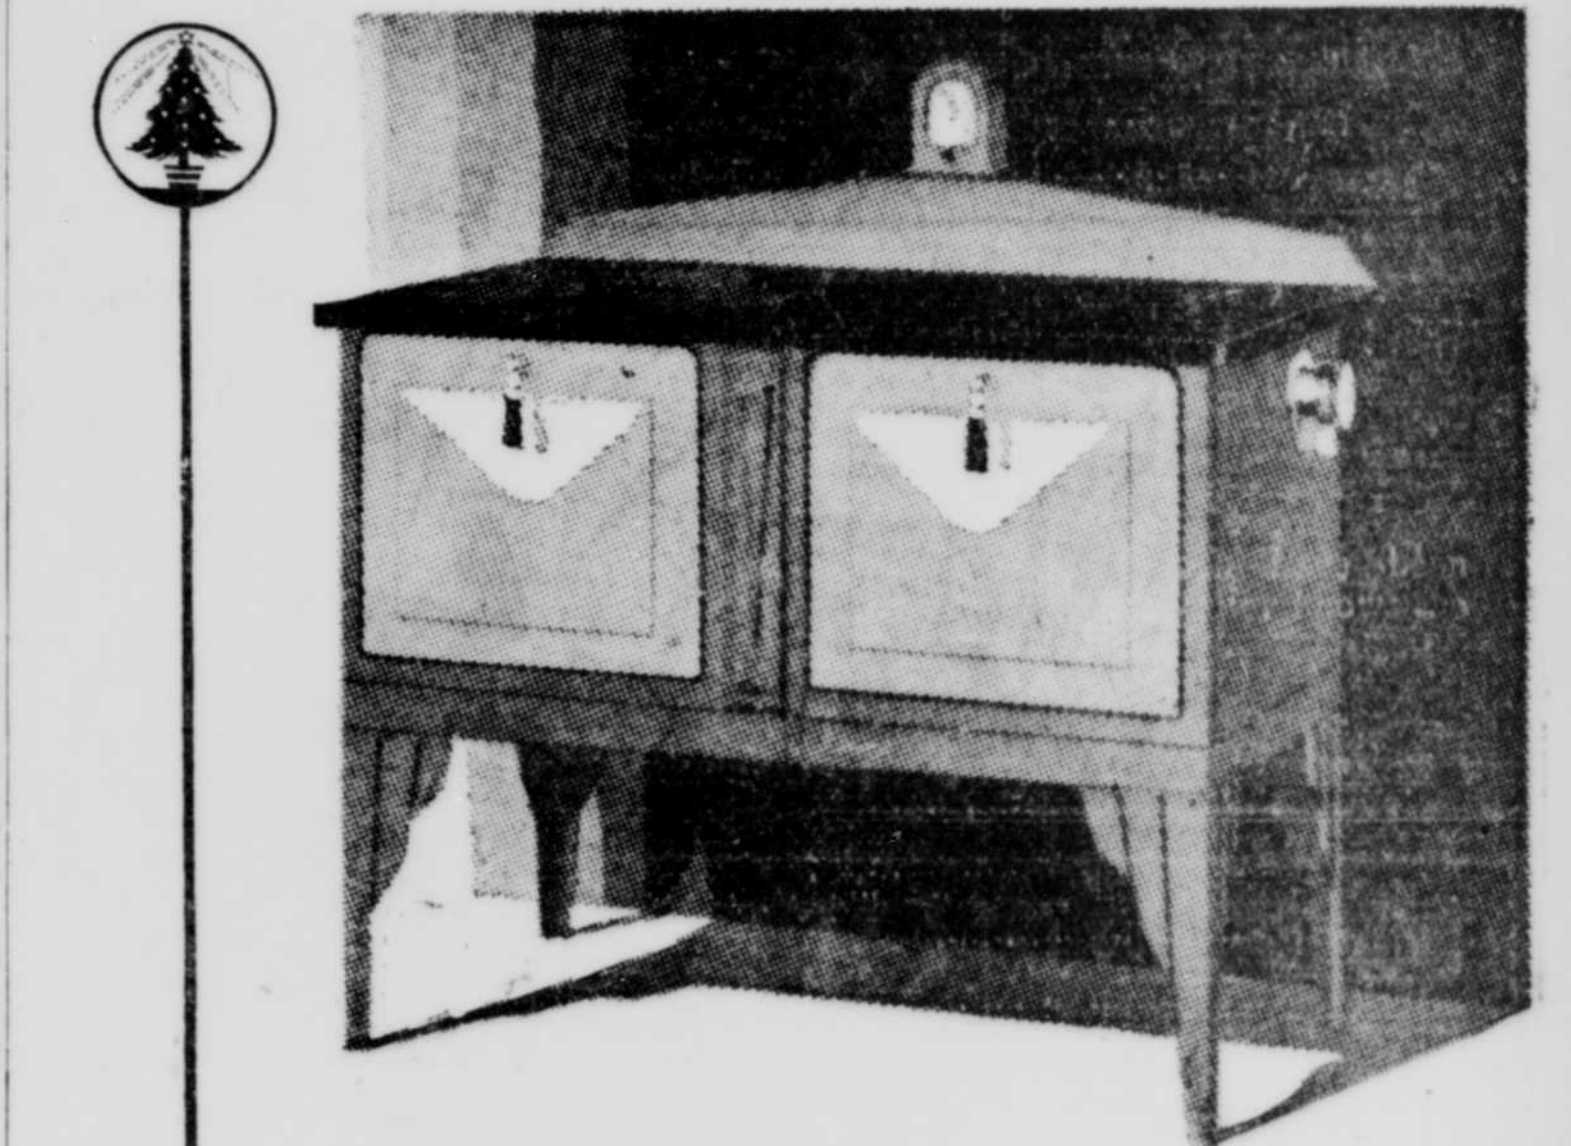

Babe Ruth, his home run twin brother, was behind him with 163 runs to his credit while Earl Averill of the Cleveland Indians ranked third in run production with 143. Gehrig has batted in 100 or more runs six consecutive years, finishing first in 1927, 1928 and 1931.

FOR SAFETY'S SAKE
WASHINGTON—Many airplane accidents due to structural failures could be eliminated if pilots would study and acquaint themselves with the limitations of all parts of the craft they fly, the Bureau of Aeronautics, Navy Department, informs. "Today the loads imposed upon an airplane in various conditions of flight are known with a much greater degree of accuracy," the bureau reports. "A standard condition, that of steady horizontal flight is selected." Beyond that a pilot should not go.

Gehrig, the Yankees set a new major league record for receiving free passes to first base. During the season Ruth was walked 128 times and Gehrig 117 and the Yankees got 748 bases on balls.

Jimmy Foxx of the championship Philadelphia Athletics was the easiest man to strike out in the league, missing the third strike 84 times during the season.
